## Landscaping Plan

*A preview of the enhanced landscaping for the new Fountain Square*

3CDC, in collaboration with Olin Partnership and the Cincinnati Park Board, is working to create a dynamic and vibrant planting program on Fountain Square. The landscaping plan will:

- Include a mix of annuals and perennials which highlight the design themes of the plaza and will emphasize the vibrancy of Cincinnati
- Provide an opportunity to showcase Cincinnati and to highlight various programming efforts such as the Opening Day Parade and The Home and Garden Show.
- Act as an additional attraction to bring visitors to the Square.
- Highlight the work of one of the nation's premier park boards
- Act as a vibrant backdrop for the events taking place on the Square

Below are some examples of the types of colorful landscaping displays that will cover the Square each season.
